Wholesale Calls (Ref: 040/07)

The BT Wholesale.com portal is currently experiencing technical difficulties. As a result we need to limit the number of CLIs contained in files for use by the Bulk Upload Tool to 250 per file.

Therefore with immediate effect Communications Providers are requested to restrict the contents of files submitted to the Bulk Upload Tool, to not more than 250 CLIs per file and to submit not more than one file every 15 minutes until further notice. BT Wholesale is working to resolve the technical issues as speedily as possible and will provide further updates in the near future.

If you have any queries please contact your BT Commercial Manager.
