Interconnect Notification (Ref: 03407)

In relation to the invoices for transit sent by BT following the OFCOM determination of disputes dated 7 July 2007 relating to mobile call termination rates, BT has reached agreement with H3G regarding the following rates effective from 1st April 2007 to 31st August 2007 inclusive:-

	Effective Date	Until	Daytime (p per min)	Evening (p per min)	Weekend (p per min)
Hutchison 3G UK Limited	01/04/2007	31/08/2007	-15.62	-10.78	-2.51

I am delighted to inform you that, as you can see from the table above, the CPL rates for this period will be lowered. Please see the 25th August updated Carrier Price List (CPL).

The lowering of termination rates will result in credit notes being issued by BT to CPs already invoiced. Customers who have paid the relevant invoice may use the credit note against their BT conveyance invoice. Customers who have not yet paid the mobile termination rate invoice shall only use the credit note against this unpaid invoice.

For those customers that have raised questions or disputes against these invoices BT will be sending responses during week commencing 27th August 2007.

For information, the following rates are in the CPL and have been invoiced:

	Effective Date	Until	Daytime (p per min)	Evening (p per min)	Weekend (p per min)
Hutchison 3G UK Limited	31/01/2005	16/01/2007	-15.62	-10.78	-2.51
