

ITF July 2005 Actions

Action Point	Issue	Owner	Status
AP 04 12/07/05	<p>BTC to organise a porting workshop with industry.</p> <p>Update- Porting issues have been discussed with suppliers on an individual basis. No one has requested an industry workshop.</p> <p>Update – The consensus at the meeting was to leave this open, and for Directory Solutions Supply team to arrange a porting workshop, with a representative from the Porting duty in attendance. An invite will be sent out, asking people what their issues are.</p>	MaJ/PS	Ongoing
AP 06 12/07/05	<p>BTC to present on the web portal proposal at the next ITF.</p> <p>Ongoing. May not be at next ITF, but update will be given. Directory Solutions have only just obtained the source code from the ORS developers.</p>	SM/MaJ	Ongoing

ITF December 2005 Actions

Action Point	Issue	Owner	Status
AP 01 14/12/05	Directory Solutions to include a review of the issues raised at the Operational Forums, within future ITF minutes, and visa versa.	TH/MaJ	Ongoing
AP 02 14/12/05	Directory Solutions to take action on the email Tony Trigg has sent to Tracy Porter, regarding CRD 468.	MaJ	Ongoing
AP 03 14/12/05	Directory Solutions to confirm exactly how the funding of change requests from release 2 onwards will work. How will the financial split work, if a change request is to be paid for by just those companies that want it?	MaJ	Ongoing
AP 04 14/12/05	ntl to ask Mandy Hinchliffe if it would be possible to receive the “records that are incorrectly capitalised” reports as business as usual? A change request may be required.	ntl	Ongoing
