

Ethernet offer

Terms and conditions

Sale on all new 1Gbps Wholesale Ethernet Etherflow Connected orders for just £1,428 per year.

A typical new 1Gbps Etherflow Connected, ordered with a new 1Gbps Etherway Fibre Local Access, would have a total rental price of just **£3,400 per year** or just £3,150* in our Gigabit Drop Zone areas. You will also benefit from our usual **free connection** when ordered on a three-year term.

No minimum commits, no rebates – a simple straightforward winter offer that provides UK enterprises with benefits from the best fixed network in the UK that includes:

- 98% UK coverage across 1,900 fibre Ethernet exchanges.
- The only Ethernet work with guaranteed resilience at every single point of presence.
- Double and triple resilience in our core. Reroute traffic in unforeseen events.
- Over **40,000 devices** continually monitoring – predict a problem before it happens.

- **Better** than 5 x 9 availability of 99.999%.
- The **widest range** of diverse resilience options on Etherway Fibre in the market.

Offer Period

This Offer runs from 13 January 2022 until 31 March 2022 (inclusive). The new rental charges will only apply to new provide orders made during this Offer Period. At the end of the Offer, the pricing for any new orders placed from 1 April 2022 onwards will revert to the current rates.

*Gigabit Drop Zone pricing applies to new 1Gbps Etherway Fibre orders in specific postcode sector areas when ordered on a three-year term.
