

BT wholesale

SECTION 44. WHOLESALE BROADBAND SERVICES

Part 3. Broadband Ancillary Charges

Special Offer

Same CP migrations from any Datastream ADSL End User Access product to any IPstream ADSL End User Access product ordered during the period 4 December 2009 to 25 March 2010 (for completion by 31 March 2010) will benefit from a reduced migration Charge. The charge for qualifying migrations will be £5.50.

Eligibility

Specific conditions for eligibility:

- Migrations are **only eligible under this offer if there is no change of Service Provider.**
- This offer only applies to ADSL migrations.
- Migration orders must be submitted between 4 December 2009 and 25 March 2010 (in order to be completed by 31 March 2010).

Customers will be charged the full migration charge on the next invoice. The reduced migration charge will be reflected as a credit on the subsequent invoice and will show as a one line entry for the total credit.

SUB PART 3.1 : BROADBAND SERVICES - END USER MIGRATION CHARGES IPSTREAM TO IPSTREAM

General Description

Operative Date:28-10-2002

For orders placed using order type `Migrate End User`

Operative Date 31-05-2005

Will Allow Singleton End User Migrations from one Customer to another without change of product or speed.

Operative Date 31-05-2005

For orders placed using order type `SP Migration`

Operative Date 31-05-2005

Will Allow End User Migrations from one Customer to another with or without change of product or speed.

Operative Date 31-05-2005

Pricing Information

Operative Date:28-10-2002

The Migration of single End Users from one Customer to another is available for all BT IPstream ADSL End User access Products as Singleton or Bulk orders.
Operative Date 31-03-2006

For orders placed using order type `Migrate End User`

Operative Date 31-05-2005

If the End User requests a change of product, this will be subject to a regrade order, subsequent and separate to the Migration order. See regrade section for the relevant BT IPstream product.
Operative Date 28-10-2002

For orders placed using order type `SP Migration`

Operative Date 31-05-2005

If the order for both Migration and change of product and / or speed is placed using the SP Migration order type, a single charge will be raised.
Operative Date 31-05-2005

Migration orders operate under the Terms and Conditions for BT IPstream Service.
Operative Date 28-10-2002

For End User Migrations between Customers, the Minimum Period of service will be carried over to the new Customer.
