

WHAT'S IN IT FOR YOUR CUSTOMERS? - WHOLESALE HOSTED CENTREX

This document is designed to help start conversations with your end customers around Wholesale Hosted Centrex. Instead of focussing on the technical capabilities of the product, it is based on the end customer problem that is being solved.

SAVE UP TO 60%

Using hosted solutions means you save on hardware costs and get cheaper calls versus traditional on-premise services. The Hosted Centrex solution removes the need for up-front CapEx freeing up budget for you reinvest elsewhere in your business.

TAILORED TO YOUR REQUIREMENTS

With 3 licence types and multiple components available you can implement the solution that best fits your needs allowing you to take control of your voice usage and platform.

SIMPLE TO USE

Due to a quick and easy order and setup process as well as seamless integration, you don't need to be distracted from running your business.

RELIABILITY AND SECURITY

You can't afford to take risks with your business, get a product with high quality service, security and resilience all backed by ISO 22031 for business continuity and ISO 27001 for information security accreditations.

FLEXIBLE WORKING

Your business relies on flexibility and technology needs to support this, not be a barrier. You need a solution which can provide a service to the entire workforce no matter where they're based or which device they choose to use.
